EXPERIENCE

MYOB ADVANCED and MYOB EXO ERP SYSTEMS CONSULTANT

Helm Business Information Systems, Hawke's Bay, September 2016 – February 2018

I can successfully run full implementation projects covering all areas of business: CRM, Sales & Distribution, Projects, Manufacturing, Job Costing & Financial Accounting. During this time, I have worked with MYOB Advanced and MYOB EXO ERP systems, taking care of projects while providing valuable support to customers. I was involved in pre-implementation business analysis, UML diagram design, training and project go-live cutovers.

SAP CLOUD APPLICATIONS CONSULTANT – SAP Business ByDesign

SOLTIUS, Auckland, November 2014 – September 2016

I have successfully conducted multiple workshops to define scope, blueprint and realize client business requirements. I have developed capabilities in CRM, SRM, SCM, Finance, Manufacturing, Order2Cash, Projects, T&M services, Payables & Receivables, Bank Reconciliation, Data Migration; I was assigned the financial module Go-live of the Business ByDesign project for a manufacturing company while successfully supporting SAP Business ByDesign customers from different industries (distribution, professional services and asset management).

MYOB EXO BUSINESS CONSULTANT

Globalbizpro, Auckland, May 2014 – November 2014

I have worked as a support consultant and have developed my expertise in MYOB EXO Finance and its associated modules from installation, configuration, implementation, training and report configuration.

VARIOUS BUSINESS PARTNER AND SUPPORT ROLES AROUND THE WORLD

Unicaja, Frigoglass, Thomson Reuters, MYOB, May 2004 – May 2014

I have started my career as an IT intern in Spain and continued with various roles in areas like HR & payroll, recruitment and IT support.
